

SRI Evaluation

NYK Included in DJSI World Index for Seventh Consecutive Year

The Dow Jones Sustainability World Index (DJSI World)* is one of the major global stock indexes for socially responsible investment (SRI) and chooses companies through a selection process that is based on independent international standards of corporate environment sustainability and social responsibility.

* **DJSI World**

Developed jointly by Dow Jones & Company, a U.S.-based publisher of business and financial news and information, and SAM Group Holding AG, a Swiss-based company that conducts assessments on corporate sustainability.

NYK Included in FTSE4Good for Eighth Consecutive Year

The FTSE4Good Global Index* is one of the two leading indexes for investors who are concerned about corporate social responsibility. The other major index is DJSI World.

* **FTSE4Good Global Index**

Launched by the UK-based FTSE Group, which is jointly owned by the Financial Times and the London Stock Exchange.

NYK Included in the Global 100 for Fourth Consecutive Year

The Global 100, which was launched in 2005, is a research and ratings project conducted by Corporate Knights.* The Global 100 is unveiled at the World Economic Forum's annual meeting in Davos, Switzerland.

* **Corporate Knights**

An independent media company (head office: Toronto, Canada) founded in 2002 that publishes the world's largest magazine in circulation explicitly focused on corporate responsibility. Corporate Knights also publishes the annual Best 50 Corporate Citizens.

NYK Included in SAM's Silver Class

Every year, SAM Group Holding AG rates companies that conduct superior corporate social responsibility (CSR) activities and places the top companies in one of three classes: gold, silver or bronze. NYK was included in the SAM Bronze Class in 2008 and 2009, and honored to be recognized one class higher in 2010.

MS-SRI: SRI Index Based On the Share Prices of 150 Listed Japanese Companies

NYK has met this criterion for six consecutive years since 2004.
